

## Reader's Choice Book Project

For the 3<sup>rd</sup> book you must read this summer, you **MUST** complete the following project...

The project is a "Book in a Bag," but you choose what to put inside!

Please choose a book from the list of options on the summer reading list. The reader's choice book project is due Friday, September 10, 2010.

You will need to do a few things to complete this project.

1. Decorate the outside of a paper bag with clues and/or scenes from your book. Also neatly and clearly label the bag with the title of your book, the author's name, your first and last name, and Grade 3.
2. Choose, create, and/or make five items that are important to your story to place inside the bag. The items should help explain the characters, setting, and plot of the story. **BE CREATIVE AND IMAGINATIVE!!**
3. Neatly write brief explanations (on a separate piece of paper) as to why each item is important to be included in your "Book in a Bag" project. Make sure that these five explanations are proofread for spelling, grammatical, capitalization, and/or punctuation errors. Each explanation should be **about three or four sentences** long. The paper should have the proper heading as well.

First Last Name

Date

Book Project

4. Last, you will present your project to the class, so be prepared to explain each item and its significance to your story.

**Good luck..... I can't wait to see your projects!**
