

June 4, 2010

Dear Future First Graders,

Welcome to First Grade! I am looking forward to having you in my class.

I am sending you a Summer Book Log. Read as much as you can and don't forget to record all the books you have read. You must read a minimum of eight books. Included in your summer reading package is a list of recommended titles and authors. Bring the list with you in September and I will have a special award for you.

You will have two written reports to complete this summer. Please choose which ever book you want, it doesn't have to be from the list provided. All book reports should be handed in on Monday, September 13, 2010. I look forward to seeing you in September.

Sincerely,

Ms. Garbe
