Safety Town is a program designed to teach children entering kindergarten in September different strategies about safety in their community. The children will learn about pedestrian and traffic safety on a miniature representation of our town.

A police officer from the Franklin Lakes Police Department will assist in this learning as well as bicycle and personal safety. Our town community helpers (ambulance corps and fire department) will also assist the children in learning preventative strategies in fire safety and first aid.

Snack will be provided and the program is held rain or shine. Please return registration forms and payment to the Wyckoff Family YMCA at 691 Wyckoff Avenue, Wyckoff. Questions? Call Sharon Twiddy at the Y at 201-891-2081.
